Re: *Luckey v. St. Luke's Cornwall Hospital et al.*
20-cv-01161-NSR

Dear Judge Román:

This firm represents the Defendants in the above-referenced action. Pursuant to Paragraph 1(E) of Your Honor's Individual Practices in Civil Cases, Defendants respectfully request that the time to serve their reply for the Defendants' Motion to Dismiss ("Motion") be extended from December 22, 2020, through and including January 8, 2021. Should this extension be granted, the Parties will file all motion documents on the same date pursuant to Your Honor's prior order. *See* ECF Doc. 22. The reason for the extension of time is because Defendants require time to finish drafting their reply papers. Due to the holidays, a brief vacation in the last week of December, litigation deadlines, and discovery closing on another matter this month, this extension has become necessary. Plaintiff's counsel does not object to this request.

Plaintiff served on our office twenty-seven (27) pages in her opposition. Plaintiff's counsel has informed us that they will be reformatting their brief in opposition, consistent with the Court's rules, and that the reformatted brief will be 25 pages or less in length without changing the content of the brief that they had sent to us, except for different page numbers, and that the reformatted brief will be served upon our offices on Monday.

Based on the number and complexity of the arguments raised in the motion documents, Defendants also respectfully request that they be permitted to serve an extra two (2) pages in reply. Plaintiff consents to Defendants' request to serve the two (2) extra pages.

This is the second request to extend the briefing schedule for this Motion. No other deadlines will be affected.
